U.S. DRY BEAN EXPORTS IN 1977/78 SECOND HIGHEST ON RECORD

Dry Beans

U.S. exports of dry edible beans in 1977/78 at 202,564 metric tons were 12 percent above the 1976/77 level and the second highest on record. The record was set in 1974/75, when 232,169 tons were exported, of which 81,217 tons went to Mexico. U.S. Navy (pea) beans produced in Michigan, Minnesota, and North Dakota benefited by a short Ontario, Canada, crop and export volume was more than double the year-earlier level. The United Kingdom took 50,296 tons—about two-thirds of the total—with Canada and the Netherlands accounting for another 20 percent. Navy beans at 75,883 tons constituted 37 percent of total dry bean exports.

Great Northerns enjoyed another good export year at 36,485 tons. Algeria with 19,206 tons and France with 4,954 tons accounted for 66 percent of the total.

Pinto exports at 20,771 tons were down 39 percent from the year-earlier level. Mexico, the Dominican Republic, the Netherlands, and Iran were major markets. Exports of Other Colored varieties increased 23 percent, with Canada,

Italy, the Netherlands, and Iran all taking larger volumes. Exports of Blackeyes, reported separately as a class only since January, totaled 4,282 tons for the 8-month period.

Overall, the United Kingdom was the largest volume buyer of dry beans in 1977/78, followed by the Netherlands, Algeria, and Canada. Japan, which had ranked first in 1976/77, dropped to fourth place. By regions, 51 percent went to Europe, 15 percent to Asia, 13 percent to Latin America, and 11 percent to Africa.

Dry Pea and Lentils

Drought conditions and hot weather during the growing season reduced the U.S. pea crop by over half and the lentil crop by more than two-thirds. As a result, exports fell to unprecedented levels—peas only about half and lentils less than 25 percent of the previous marketing year's levels. Excellent crops of both peas and lentils were harvested in 1978, prices are lower, and exports for the 1978/79 marketing year are expected to return to normal levels.

DRY EDIBLE BEANS, PEAS, AND LENTILS: U.S. EXPORTS, QUANTITY AND VALUE, 1976/77 AND 1977/78¹
